

# “ When Rusty’s Not Fishing, You Can Find Him In The End Of The Road Studio Cutting His Next Great Hit.”

—Walter G. Boyd RG follower and fellow fisherman.

Rusty Gear is an American singer-songwriter who leads a collaboration of great musicians to create and record original country, blues and southern rock music. Rusty’s primary focus has always been the song writing, where he tries to tell authentic stories of life in America and deliver rocking numbers that will energize his live performances. He has released 8 albums/EPs of original music featuring top Nashville session players and members of the famed Muscle Shoals Rhythm Section. Rusty’s songs have received radio play around the world and charted on the Billboard Country Breakout Chart, Roots Radio in Country, Blues and Americana, and on the Hotdisc Top 40 in Europe. His latest album, Stripped Gear, reached #2 on The Roots Radio Country Album chart and the single Old Friend reached #1 in both Country and Americana. Rusty’s songs have been streamed over 2.8 million times on Spotify.
